PROFILE

I am a Computer Science student at NTUST and an active member of GDG on Campus. My areas of focus include machine learning, web frontend development, computer networks, and server management.

EXPERIENCE

GDG on Campus at NTUST
2023 - PRESENT
Treasurer

- Managed and coordinated administrative operations for the Google Developer Group on Campus at NTUST, ensuring smooth communication and event execution.

Student Association of CSIE at NTUST
2023-2024
Vice President

- Manage and mentor a team of student leaders, promoting teamwork, leadership, and innovation within the association.
- Lead and oversee student affairs, fostering an inclusive and supportive environment for Computer Science students at NTUST.
- Organize and execute networking events that align with students' professional and personal development goals.

GDSC at NTUST
2023-2024
Secretary

- Maintained official documentation, meeting records, and correspondence to ensure efficient group operations and continuity.
- Collaborated with core team members to develop event strategies, outreach plans, and partnerships that aligned with the group's mission.

EDUCATION

2022 - now

Bachelor of Business Management
Nation Taiwan University of Science and Technology
GPA: 3.94 / 4.3
